Sidecar Amy Lane 2012-06-29 The year is 1987. The boys wear pink Izod shirts, the girls wear big hair, everyone has a stash box, and AIDS is just an ugly rumor rumbling like a thunderstorm from the cities. A teenage runaway wanders the side of the road, a heartbeat away from despair, and is rescued by a long-haired angel on a Harley. But that's just the beginning of their story. Josiah Daniels wanted peace and quiet and a simple life, and he had it until he rescued Casey from hunger, cold, and exhaustion. Then Joe's life is anything but simple as he and his new charge navigate a world that is changing more rapidly than the people in it. Joe wants to raise Casey to a happy and productive adulthood, and he does. But even as an adult, Casey can't conceive of a happy life without Joe. The trouble is getting Joe to accept that the boy he nurtured is suddenly the man who wants him. Their relationship can either die or change with the world around them. As they make a home, negotiate the new rules of growing up, and swerve around the pitfalls of modern life, Casey learns that adulthood is more than sex, Joe learns that there is no compromise in happy ever after, and they're both forced to realize that the one thing a man shouldn't be is alone.

Heartbeats in a Haunted House Amy Lane 2022-01-18 Dante and Cully have been in love since college without making a move. Now they're stuck in their memories, cut off from their coven—and each other. Can they dismantle the walls they've built between them and find their way into each other's arms?

A Solid Core of Alpha Amy Lane 2011-08-08 In an act of heroism and self-sacrifice, Anderson Rawn's sister saved him from the destruction of their tiny mining colony, but her actions condemned the thirteen-year-old to ten years of crushing loneliness on the hyperspace journey to a new home. Using electronics and desperation, Anderson creates a family to keep him company, but family isn't always a blessing.

Secret History Johnny Cirucci 2016-11-24 "Italics suspended!" Johnny Cirucci has done it again. After unmasking the Illuminati in his first book *Illuminati Unmasked*, Johnny returns to give the full background leading up to Illuminati in a way only he and his dogged research skills could present.* What's the truth behind Emperor Constantine and his controversial conversion to Christianity?* Has Islam been both task master and whipping boy for the Catholic Church since its inception?* The real story about the Templars; who were they and are they still around?* Who is the "Great Whore of Babylon" found in the Book of Revelation?* Never-before-told stories about Christianity's greatest Protestors; Martin Luther, John Calvin, William Tyndale and more!* World history as only Johnny could tell it; from Joan of Arc to John Boehner, Henry VIII to the Hungarian Revolution of 1956.

The Red Umbrella Christina Gonzalez 2011 In 1961 after Castro has come to power in Cuba, fourteen-year-old Lucia and her seven-year-old brother are sent to the United States when her parents fear that the children will be taken away from them as others have been.

Secrets of Eden Chris Bohjalian 2010-02-02 NOW A LIFETIME TV MOVIE STARRING JOHN STAMOS From the bestselling author of *The Double Bind*, *Midwives*, and *Skeletons at the Feast* comes a novel of shattered faith, intimate secrets, and the delicate nature of sacrifice. "There," says Alice Hayward to Reverend Stephen Drew, just after her baptism, and just before going home to the husband who will kill her that evening and then shoot himself. Drew, tortured by the cryptic finality of that short utterance, feels his faith in God slipping away and is saved from despair only by a meeting with Heather Laurent, the author of wildly successful, inspirational books about . . . angels. Heather survived a childhood that culminated in her own parents' murder-suicide, so she identifies deeply with Alice's daughter, Katie, offering herself as a mentor to the girl and a shoulder for Stephen – who flees the pulpit to be with Heather and see if there is anything to be salvaged from the spiritual wreckage around him. But then the State's Attorney begins to suspect that Alice's husband may not have killed himself. . .and finds out that Alice had secrets only her minister knew. *Secrets of Eden* is both a haunting literary thriller and a deeply evocative testament to the inner complexities that mark all of our lives. Once again Chris Bohjalian has given us a riveting page-turner in which nothing is precisely what it seems. As one character remarks, "Believe no one. Trust no one. Assume all of

our stories are suspect.”

Sports Law Patrick K. Thornton 2010-09-15 Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. Selfie Amy Lane 2016-04-18 One year ago, actor Connor Montgomery lost the love of his life to a drunk driver. But what's worse for Connor is what he still has: a lifetime of secrets born of hiding his relationship from the glare of Hollywood. Unable to let go of the world he and Vinnie shared, Connor films a drunken YouTube confession on the anniversary of Vinnie's death. Thankfully, the video was silent—a familiar state for Connor—so his secret is still safe. He needs a fresh start, and a new role on the hit TV show "Wolf's Landing" might be just that. The move to Bluewater Bay may also mean a second chance in the form of his studio-assigned assistant. Noah Dakers sees through Connor's facades more quickly than Connor could imagine. Noah's quiet strength and sarcastic companionship offers Connor a chance at love that Hollywood's closet has never allowed. But to accept it, Connor must let Vinnie go and learn to live again.

Beneath the Stain Amy Lane 2019-08-13 In a town as small as Tyson, CA, everybody knew the four brothers with the four different fathers--and their penchant for making good music when they weren't getting into trouble. For Mackey Sanders, playing in Outbreak Monkey with his brothers and their friends--especially Grant Adams--made Tyson bearable. But Grant has plans for getting Mackey and the Sanders boys out of Tyson, even if that means staying behind. Between the heartbreak of leaving Grant and the terrifying, glamorous life of rock stardom, Mackey is adrift and sinking fast. When he's hit rock bottom, Trav Ford shows up, courtesy of their record company and a producer who wants to see what Mackey can do if he doesn't flame out first. But cleaning up his act means coming clean about Grant, and that's not easy to do or say. Mackey might make it with Trav's help--but Trav's not sure he's going to survive falling in love with Mackey. Mackey James Sanders comes with a whole lot of messy, painful baggage, and law-and-order Trav doesn't do messy or painful. And just when Trav thinks they may have mastered every demon in Mackey's past, the biggest, baddest demon of all comes knocking.

Chasing Secrets Gennifer Choldenko 2015-08-04 Newbery Honor-winning author Gennifer Choldenko deftly combines humor, tragedy, fascinating historical detail, and a medical mystery in this exuberant new novel. San Francisco, 1900. The Gilded Age. A fantastic time to be alive for lots of people . . . but not thirteen-year-old Lizzie Kennedy, stuck at Miss Barstow's snobby school for girls. Lizzie's secret passion is science, an unsuitable subject for finishing-school girls. Lizzie lives to go on house calls with her physician father. On those visits to his patients, she discovers a hidden dark side of the city—a side that's full of secrets, rats, and rumors of the plague. The newspapers, her powerful uncle, and her beloved papa all deny that the plague has reached San Francisco. So why is the heart of the city under quarantine? Why are angry mobs trying to burn Chinatown to the ground? Why is Noah, the Chinese cook's son, suddenly making Lizzie question everything she has known to be true? Ignoring the rules of race and class, Lizzie and Noah must put the pieces together in a heart-stopping race to save the people they love. Unconventional Warfare (Special Forces, Book 1) Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice:

jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Fish on a Bicycle Amy Lane 2019-10-15 Jackson and Ellery's law firm is barely open, and their first case is a doozy, involving porn stars, drug empires, and daddy issues. If Jackson's health or Ellery's patience don't give out, they might keep their client from going to jail for sleeping with the wrong guy at the wrong time.

Amy Snow Tracy Rees 2016-06-07 Winner of the UK's Richard & Judy Search for a Bestseller Competition, this page-turning debut novel follows an orphan whose late, beloved best friend bequeaths her a treasure hunt that leads her all over Victorian England and finally to the one secret her friend never shared. It is 1831 when eight-year-old Aurelia Vennaway finds a naked baby girl abandoned in the snow on the grounds of her aristocratic family's magnificent mansion. Her parents are horrified that she has brought a bastard foundling into the house, but Aurelia convinces them to keep the baby, whom she names Amy Snow. Amy is brought up as a second-class citizen, despised by Vennaways, but she and Aurelia are as close as sisters. When Aurelia dies at the age of twenty-three, she leaves Amy ten pounds, and the Vennaways immediately banish Amy from their home. But Aurelia left her much more. Amy soon receives a packet that contains a rich inheritance and a letter from Aurelia revealing she had kept secrets from Amy, secrets that she wants Amy to know. From the grave she sends Amy on a treasure hunt from one end of England to the other: a treasure hunt that only Amy can follow. Ultimately, a life-changing discovery awaits...if only Amy can unlock the secret. In the end, Amy escapes the Vennaways, finds true love, and learns her dearest friend's secret, a secret that she will protect for the rest of her life. An abandoned baby, a treasure hunt, a secret. As Amy sets forth on her quest, readers will be swept away by this engrossing gem of a novel—the wonderful debut by newcomer Tracy Rees.

Mystic Mayhem Sally J. Smith 2015-11-16 From the USA Today bestselling writing team of Sally J. Smith & Jean Steffens comes a hilarious first book in a brand new mystery series that will keep you guessing until the end...

Melanie Hamilton is not your average artist. She brings home the bacon by inking tattoos at New Orleans's Mansion at Mystic Isle, a resort in the middle of the bayou that caters to fans of the peculiar and paranormal, but her true passion comes alive when she volunteers restoring Katrina-ravaged landmarks. Between her day job, her restoration work, and selling her paintings in Jackson Square, Mel's life is more hectic than Bourbon Street on Fat Tuesday. But when a guest of the resort, a millionaire's widow, is poisoned, and Melanie's close friend is arrested for the murder, things go from hectic to downright dangerous. Mel joins forces with the resort's delish manager, Jack Stockton, to prove her friend's innocence. Soon they find themselves dealing with séances, secret passages, the ghost of the millionaire himself, gators, swamp rats, and a sinister killer who proves that not everything is what it seems in the Louisiana bayou. Come on along, and get your creep on. *Mystic Isle Mysteries: Mystic Mayhem* (book #1) *Mystic Mojo* (shorts story in the *Killer Beach Reads* collection) *Mystic Mistletoe Murder* (book #2) *Mystic Mischief* (book #3) *Mystic Deception* (book #4) What critics are saying about Sally J. Smith & Jean Steffens: "A great series and smart plot told at breakneck pace...great characters, sexy, tough, intelligent, and witty...the perfect companion for the beach, planes, trains and everything else in between." —The New York Journal of Books "Smart and sassy. Classy with a twist of wry humor and just enough sentiment and romance to reel you in and keep you hanging until the end. Smith and Steffens, partners in crime, have struck gold. —Kathleen M. Rodgers, author of *Johnnie Come Lately* and *The Final Salute* "Stealing the Moon & Stars is an impossible book to put down. Jordan and Eddie are the best mystery solving duo since Nick and Nora. Is there a fire alarm ringing? Because their relationship is smokin' hot!" —Jenn McKinlay, New York Times bestselling author of the *Cupcake Bakery Mysteries* and the *Library Lover's Mysteries* "The action and sexual tension are as hot as an Arizona summer. The Shea Investigations team put their lives, and their hearts, on the line in this action-packed crime novel." —Lesia's Book Critiques "This mystery unfolds with humorous zingers. Tingling with sexual tension, this is a satisfying read. I highly recommend it!" —Nancy Redd, author of *The Canyon's Edge*

Dex in Blue Amy Lane 2012 *Johnnies: Book Two* Ten years ago David Worrall had plans to go to college and the potential for a beautiful future in front of him. One tragic accident later, he fled to California and reinvented himself as Dex, top porn model of Johnnies. Dex's life is a tangled mess now, but the guys he works with only see the man who makes them believe even porn stars can lead normal lives. When Kane, one of Dex's coworkers, gets kicked

out of his house, the least Dex can do is give him a place to stay. Kane may be a hyperactive muscle-bound psycho, but he's also a really nice guy. What could be the harm? Except nothing is simple--not sex, not love, and not the goofy kid with the big dick and bigger heart who moves his life into Dex's guest room. When they start negotiating fractured pasts and broken friends, Dex wonders if Kane's honest nature can untangle the sadness that stalled his once-promising future. With Kane by his side, Dex just might be able to reclaim the boy he once was--and if he can do that, he can give Kane the home and the family he deserves.

Ethan in Gold Amy Lane 2013-10-04 Johnnies: Book Three Evan Costa learned from a very early age that there was no such thing as unconditional love and that it was better to settle for what you could get instead of expecting the world to give you what you need. As Ethan, porn model for Johnnies, he gets exactly what he wants—comradeship and physical contact on trade—and he is perfectly satisfied with that. He's sure of it. Jonah Stevens has spent most of his adult life helping to care for his sister and trying to keep his beleaguered family from fraying at the edges. He's had very little time to work on his confidence or his body for that matter. When Jonah meets Ethan, he doesn't see the hurt child or the shamelessly slutty porn star. He sees a funny, sexy, confident man who—against the odds—seems to like Jonah in spite of his very ordinary, but difficult, life. Sensing a kindred spirit and a common interest, Ethan thinks a platonic friendship with Jonah won't violate his fair trade rules of sex and touch, but Jonah has different ideas. Ethan's pretty sure his choice of jobs has stripped away all hope of a real relationship, but Jonah wants the whole package—the sexy man, the vulnerable boy, the charming companion who works so hard to make other people happy. Jonah wants to prove that underneath the damage Ethan has lived with all his life, he's still gold with promise and the ability to love.

Super Sock Man Amy Lane 2012-03-21 Donnie's crush on his sister's roommate, Alejandro, has gone beyond childhood dreams—and it's driving Donnie insane! So when Donnie gets a chance to house-sit for his sister and Yandro, Donnie doesn't feel alone. He's got all his vivid fantasies to keep him company! Can a little dumb luck—and a little help from a magical homemade gift—help Donnie's fantasies come true?

The Last Protector (James Marwood & Cat Lovett, Book 4) Andrew Taylor 2020-04-02 From the No.1 Sunday Times bestselling author of *The Ashes of London* comes the next book in the phenomenally successful series following James Marwood and Cat Lovett.

The Black Swan of Paris Karen Robards 2020-06-30 An exquisite WWII novel illuminating the strength of three women in occupied Paris, for fans of *The Nightingale*, *The Alice Network* and *The Lost Girls of Paris*. "A truly outstanding novel...reminds us of the power of love, hope and courage."—Heather Morris, #1 bestselling author of *The Tattooist of Auschwitz* Paris, 1944 Celebrated singer Genevieve Dumont is both a star and a smokescreen. An unwilling darling of the Nazis, the chanteuse's position of privilege allows her to go undetected as an ally to the resistance. When her estranged mother, Lillian de Rocheford, is captured by Nazis, Genevieve knows it won't be long before the Gestapo succeeds in torturing information out of Lillian that will derail the upcoming allied invasion. The resistance movement is tasked with silencing her by any means necessary—including assassination. But Genevieve refuses to let her mother become yet one more victim of the war. Reuniting with her long-lost sister, she must find a way to navigate the perilous cross-currents of Occupied France undetected—and in time to save Lillian's life. In this heart-wrenching novel, bestselling author Karen Robards showcases the extraordinary lengths one goes to save their family from a German prison. A web of spies, the resistance and a vivid portrayal of Paris in wartime.

The Immortal Life of Henrietta Lacks Rebecca Skloot 2010-02-02 #1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine:

The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

The Outlander Gil Adamson 2010-02-01 On a moonlit night in 1903, a mysterious young woman flees alone across the Canadian wilderness, one quick step ahead of her pursuers. Mary Boulton is nineteen years old, half mad, and widowed - by her own hand. Tearing through the forest with dogs howling in the distance, she is desperate, her nerves burning, and she is certain of one thing only - that her every move is being traced. Two red-headed brothers, rifles across their backs, lurch close behind her: monstrous figures, identical in every way, with the predatory look of hyenas. She has murdered their brother, and their cold lust for vengeance is unswerving. As the widow scrambles to stay ahead of them, the burden of her existence disintegrates into a battle in which the dangers of her own mind become more menacing than the dangers of the night. Along the way, the steely outlaw encounters a changing cast of misfits and eccentrics. Some, like the recluse known as 'The Ridgerunner', provide a brief respite from her solitude; others, like the Reverend Bonnycastle, offer support only to reveal that they too have their own demons raging inside. As she is plunged further away from civilisation, her path from retribution to redemption slowly unfurls. A startling transformation of the classic western narrative, *The Outlander* is the haunting tale of one young woman's deliberate journey deep into the wild.

Bobby Green Amy Lane 2018-02-06 Porn got Bobby out of his hometown, and he connects with Reg, the sweet guy who holds the lights. But Reg is hampered by a family burden, and Bobby must deal with a girlfriend and her blackmailing brother back home before they'll be free to love.

Brainwashed Tom Burrell 2010-06 Black people are not dark-skinned white people, says advertising visionary Tom Burrell. In fact, they are a lot more. They are survivors of the Middle Passage and centuries of humiliation and deprivation, who have excelled against the odds, constantly making a way out of no way! Katherine Anya Seton 2013-10-01 John of Gaunt and Katherine Swynford, Chaucer's sister-in-law, fall in love in the 14th century.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

Chase in Shadow Amy Lane 2012-02-24 Chase Summers: Golden boy. Beautiful girlfriend, good friends, and a promising future. Nobody knows the real Chase. Chase Summers has a razor blade to his wrist and the smell of his lover’s goodbye clinging to his skin. He has a door in his heart so frightening he’d rather die than open it, and the lies he’s used to block it shut are thinning with every forbidden touch. Chase has spent his entire life unraveling, and his decision to set his sexuality free in secret has only torn his mind apart faster. Chase has one chance for true love and salvation. He may have met Tommy Halloran in the world of gay-for-pay—where the number of lovers doesn’t matter as long as the come-shot’s good—but if he wants the healing that Tommy’s love has to offer, he’ll need the courage to leave the shadows for the sunlight. That may be too much to ask from a man who’s spent his

entire life hiding his true self. Chase knows all too well that the only things thriving in a heart's darkness are the bitter personal demons that love to watch us bleed.

Candy Man Amy Lane 2014-12-03 With the holidays approaching, Adam is going to have to ask himself which is harder—letting Finn in or living without him?

Paint It Black Amy Lane 2019-08-13 Everybody thinks Mackey Sanders and Outbreak Monkey is the last coming of Rock'n'Roll Jesus, but Cheever Sanders can't wait to get out of his home town and make a name for himself where nobody expects him to fill his famous brothers' shoes. He's tired of living in their shadow. Blake Manning knows the feeling. He's been Outbreak Monkey's second lead guitarist for 10 years. He's come to terms with the fact that he'll never be Grant Adams, the guy he replaced, and that Kell Sanders will never love him like Mackey loved Grant. He got this gig on luck and love, not talent. So watching Cheever blow through Outbreak Monkey's hard-earned money in an epic stretch of partying pisses him off. Blake shows up at Cheever's nonstop orgy to enforce some rules, but instead of a jaded punk, he finds a lost boy as talented at painting as Mackey is at song-making, and terrified to let anybody see the real him. It's something he and Blake have in common. Both men have to make peace with being second banana in the public eye. Can they find the magic of coming absolute first with each other?

Keeping Promise Rock Amy Lane 2010-01-17 Carrick Francis has spent most of his life jumping into trouble with both feet. The only thing saving him from prison or worse is his absolute devotion to Deacon Winters. Deacon was Crick's sanity and salvation during a miserable, abusive childhood, and Crick would do anything to stay with him forever. So when Deacon's father dies, Crick puts his college plans on hold to help Deacon as Deacon has helped him. Deacon's greatest wish is to see Crick escape his memories and the town they grew up in so Crick can enjoy a shining future. But after two years of growing feelings and temptation, the painfully shy Deacon finally succumbs to Crick's determined advances and admits he sees himself as part of Crick's life. It nearly destroys Deacon when he discovers Crick has been waiting for him to push him away, just like Crick's family did in the past. When Crick's knack for volatile decisions lands him far away from home, Deacon is left, shell-shocked and alone, struggling to reforge his heart in a world where love with Crick is a promise, but by no means a certainty.
