Jet 2003-05-05 The weekly source of African American political and entertainment news.

The Briefing Sean Spicer 2018-07-24 NOW A NATIONAL BESTSELLER! Wall Street Journal Bestseller USA Today Bestseller Publisher's Weekly Bestseller Conservative Book Club Bestseller "One of the best reads of 2018." — Sean Hannity "The book is well worth your time." — Megyn Kelly "A story told with both heart and knowledge. Really good, go get it!" — President Donald J. Trump No job is more of a pressure cooker than being a White House press secretary...especially in this White House. For more than two decades, Sean Spicer had been a respected political insider, working as a campaign and communications strategist. But in December 2016, he got the call of a lifetime. President-elect Donald J. Trump had chosen him to be the White House press secretary. And life hasn't been the same since. When he accepted the job, Spicer was far from a household name. But then he walked into the bright lights of the briefing room, and the cameras started rolling. His every word was scrutinized. Every movement was parodied. Every detail became a meme. And that's just the public side. Behind the scenes, things were almost as difficult in an administration plagued by leaks that frustrated and angered both Spicer and the president. Not to mention the extraordinary pressures on Spicer's family and his faith. Now, in his provocative and enlightening political memoir, *The Briefing*, Spicer reveals the truth behind some of the biggest news stories of our time, and he offers a glimpse into what it's like to stand at the press secretary's podium—and how he got there. *The Briefing* is the first insider account written by someone who worked on the Trump campaign, with the Trump transition team, and in the Trump White House—and has seen Donald Trump rallying voters, building an administration, and making crucial policy decisions. Spicer's riveting and personal account makes *The Briefing* the must-read political memoir of the year.

The Solo Video Journalist Matt Pearl 2020-07-10 *The Solo Video Journalist*, now in its second edition, offers a comprehensive overview of the solo video reporting process from start to finish. Drawing from years of professional experience in the field, the author covers all aspects of multimedia journalism, from planning for a segment, to dressing appropriately for multiple roles, to conducting interviews, and editing. The book contains interviews with more than a dozen top storytellers from around the United States and offers practical advice for how to succeed in a growing media field. New to this edition are Career Chronicles – chapters that detail the career paths possible for modern journalists – and a fully updated chapter on the importance of building a digital and social media presence. This book is an excellent resource for students learning skills in broadcast, multimedia, backpack, and television journalism, as well as for early-career professionals looking for a back-pocket resource in solo video journalism.

Making It in Broadcasting Leonard Mogel 2010-08

The End of Burnout Jonathan Malesic 2022-01-04 Everyone is burned out, but no one knows what that means -- Burnout : the first 2,000 years -- The burnout spectrum -- How jobs have gotten worse in the age of burnout -- Work saints and work martyrs : the problem with our ideals -- We can have it all : a new vision of the good life -- How benedictines tame the demons of work -- Varieties of anti-burnout experience -- Conclusion : nonessential work in a post-pandemic world.

Transparent Don Lemon 2011 Lemon presents a searingly candid memoir that will motivate anyone discouraged by the adversities of life. He details his own struggle to become one of the most prominent African American men in television news, and explains how painful early experiences shaped his ambitions and gave him the tools of empathy and fearlessness that he brings to his work.

Practicing Convergence Journalism Janet Kolodzy 2012 *Practicing Convergence Journalism* teaches budding journalists how to make the most of digital technology to tell their stories effectively across multiple media platforms--in print, audio, video and online. Janet Kolodzy addresses multi-media and cross-media thinking, organizing, reporting and producing for both short-form spot news and long-form features. Her approach focuses on storytelling principles, not just specific technical practices, providing journalists with the mindset and skills they need to adapt their writing and reporting for the tools of today and tomorrow. With this book and the aid of its companion website, students learn how to: Develop a cross-media mode of journalistic thinking that will result in stories suitable for a fast-paced, multitasking and mobile audience. Decide when visuals are useful and necessary, and understand how to capture, select and organize them to effectively enhance a reader's understanding of a story. Put together various elements of storytelling (writing, audio, moving and still pictures) for an interactive journalistic experience.

New York Magazine 1992-09-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Enemy of the People Jim Acosta 2020-06-16 A New York Times bestseller. From CNN's veteran Chief White House Correspondent Jim Acosta, an explosive, first-hand account of the dangers he faces reporting on the current White House while fighting on the front lines in President Trump's war on truth, featuring new material exclusive to the paperback edition. In Mr. Trump's campaign against what he calls "Fake News," CNN Chief White House Correspondent, Jim Acosta, is public enemy number one. From the moment Mr. Trump announced his candidacy in 2015, he has attacked the media, calling journalists "the enemy of the people." Acosta presents a damning examination of bureaucratic dysfunction, deception, and the unprecedented threat the rhetoric Mr. Trump is directing has on our democracy. When the leader of the free world incites hate and violence, Acosta doesn't back down, and he urges his fellow citizens to do the same. At Mr. Trump's most hated network, CNN, Acosta offers a never-before-reported account of what it's like to be the President's most hated correspondent. Acosta goes head-to-head with the White House, even after Trump supporters have threatened his life with words as well as physical violence. From the hazy denials and accusations meant to discredit the Mueller investigation, to the president's scurrilous tweets, Jim Acosta is in the eye of the storm while reporting live to millions of people across the world. After spending hundreds of hours with the revolving door of White House personnel, Acosta paints portraits of the personalities of Sarah Huckabee Sanders, Stephen Miller, Steve Bannon, Sean Spicer, Hope Hicks, Jared Kushner and more. Acosta is tenacious and unyielding in his public battle to preserve the First Amendment and #RealNews.

Chasing History Carl Bernstein 2022-01-11 A New York Times bestseller In this triumphant memoir, Carl Bernstein, the Pulitzer Prize-winning coauthor of *All the President's Men* and pioneer of investigative journalism, recalls his beginnings as an audacious teenage newspaper reporter in the nation's capital—a winning tale of scrapes, gumshoeing, and American bedlam. In 1960, Bernstein was just a sixteen-year-old at considerable risk of failing to graduate high school. Inquisitive, self-taught—and, yes, truant—Bernstein landed a job as a copyboy at the *Evening Star*, the afternoon paper in Washington. By nineteen, he was a reporter there. In *Chasing History: A Kid in the Newsroom*, Bernstein recalls the

origins of his storied journalistic career as he chronicles the Kennedy era, the swelling civil rights movement, and a slew of grisly crimes. He spins a buoyant, frenetic account of educating himself in what Bob Woodward describes as “the genius of perpetual engagement.” Funny and exhilarating, poignant and frank, *Chasing History* is an extraordinary memoir of life on the cusp of adulthood for a determined young man with a dogged commitment to the truth.

Landslide Michael Wolff 2021-07-13 An instant New York Times bestseller. Critics agree: Michael Wolff’s *Landslide* is THE book on Trump. “Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . .” —The New York Times “I inhaled *Landslide*, gobbled it up.” —Slate “Wow. Just wow . . .” —Evening Standard “Cruel, unforgiving, muckraking, scandalous. I couldn’t stop reading it.”—The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump’s reelection campaign, the president’s audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of *Star Wars* bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the “alternative facts” he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump’s circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency’s hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. *Landslide* is that story as only Michael Wolff can tell it.

Practical Journalism Helen Sissons 2006-10-19 *Practical Journalism: How to Write News* introduces the beginner to the skills needed to become a journalist in the digital age. The book draws on interviews with dozens of working journalists. They share their thoughts on the profession and we watch them work - selecting stories, carrying out interviews and writing scripts. There are chapters on interviewing, research techniques and news writing. Further chapters cover working in broadcasting and online. Media law and ethics are also included. Most journalists believe they work ethically although few have set rules and others admit to being pressured to behave underhandedly. This book looks at how journalists can work more ethically and provides a guide for beginners. The book is easy to read. Each chapter concludes with activities and a list of further reading. A glossary of terms is included at the end of the book.

On All Fronts Clarissa Ward 2021-09-07 “On All Fronts: The Education of a Journalist beautifully outlines . . . what it means to seek the truth. It gave me a new faith in the power of reporting.” —Oprah Winfrey The recipient of multiple Peabody and Murrow awards, Clarissa Ward is a world-renowned conflict reporter. In this strange age of crisis where there really is no front line, she has moved from one hot zone to the next. With multiple assignments in Syria, Egypt, and Afghanistan, Ward, who speaks seven languages, has been based in Baghdad, Beirut, Beijing, and Moscow. She has seen and documented the violent remaking of the world at close range. With her deep empathy, Ward finds a way to tell the hardest stories. *On All Fronts* is the riveting account of Ward’s singular career and of journalism in this age of extremism. Following a privileged but lonely childhood, Ward found her calling as an international war correspondent in the aftermath of 9/11. From her early days in the field, she was embedding with marines at the height of the Iraq War and was soon on assignment all over the globe. But nowhere does Ward make her mark more than in war-torn Syria, which she has covered extensively with courage and compassion. From her multiple stints entrenched with Syrian rebels to her deep investigations into the Western extremists who are drawn to ISIS, Ward has covered Bashar al-Assad’s reign of terror without fear. In 2018, Ward rose to new heights at CNN and had a son. Suddenly, she was doing this hardest of jobs with a whole new perspective. *On All Fronts* is the unforgettable story of one extraordinary journalist—and of a changing world.

The Devil May Dance Jake Tapper 2021-05-11 Charlie and Margaret discover the dark side of Hollywood in Jake Tapper’s follow-up to New York Times bestseller *The Hellfire Club*—an “excellent” cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation’s capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they’ll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood’s stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood’s power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they’ve uncovered and can’t let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.

Going There Katie Couric 2021-10-26 This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she’s never shared, until now. Of the medium she loves, the one that made her a household name, she says, “Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is.” Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn’t afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “get”—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric’s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn’t happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich

your own.

News Flash Bonnie Anderson 2004-05-21 While talking heads debate the media's alleged conservative or liberal bias, award-winning journalist Bonnie Anderson knows that the problem with television news isn't about the Left versus the Right--it's all about the money. From illegal hiring practices to ethnocentric coverage to political cheerleading, News Flash exposes how American broadcast conglomerates' pursuit of the almighty dollar consistently trumps the need for fair and objective reporting. Along the way to the bottom line, the proud tradition of American television journalism has given way to an entertainment-driven industry that's losing credibility and viewers by the day. As someone who has worked as both a broadcast reporter and a network executive, Anderson details how the networks have been co-opted by bottom-line thinking that places more value on a telegenic face than on substantive reporting. Network executives—the real power in broadcast journalism—are increasingly employing tactics and strategies from the entertainment industry. They "cast" reporters based on their ability to "project credibility," value youth over training and experience, and often greenlight coverage only if they can be assured that it will appeal to advertiser-friendly demographics.

Rage Bob Woodward 2020-09-15 Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the "dynamite behind every door." At key decision points, Rage shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. Rage draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a "fantasy film." Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. "Don't worry about it, Bob. Okay?" Trump told the author in July. "Don't worry about it. We'll get to do another book. You'll find I was right."

Careers in Communications and Entertainment Leonard Mogel 2000-01-02

Huddle Brooke Baldwin 2021-04-06 Wall Street Journal Bestseller CNN news anchor Brooke Baldwin explores the phenomenon of "huddling," when women lean on one another—in politics, Hollywood, activism, the arts, sports, and everyday friendships—to provide each other support, empowerment, inspiration, and the strength to solve problems or enact meaningful change. Whether they are facing adversity (like workplace inequity or a global pandemic) or organizing to make the world a better place, women are a highly potent resource for one another. Through a mix of journalism and personal narrative, Baldwin takes readers beyond the big headline-making huddles from recent years (such as the Women's March, #MeToo, Times Up, and the record number of women running for public office) and embeds herself in groups of women of all ages, races, religions and socio-economic backgrounds who are banding together in America. HUDDLE explores several stories including: The benefits of all-girls learning environments, such as Karlie Kloss's Kode with Klossy and Reese Witherspoon's Filmmaker Lab for Girls in which young women are given the freedom to make mistakes, and find their confidence. The tactics employed by huddles of women who work in male-dominated industries including a group of US veterans/Democratic Congresswomen, a huddle of African-American judges in Harris County, Texas, and an all-female writers room in Hollywood. The wisdom of huddling from trusted pioneers such as Gloria Steinem, Billie Jean King, and Madeleine Albright as well as contemporary trailblazers like Stacey Abrams and Ava DuVernay. How professionals such as Chef Dominique Crenn and sports agent Lindsay Colas use their success to amplify other women in their fields. The ways huddles of women are dedicated to making seismic change, including a look at Indigenous women saving the planet, the women who founded Black Lives Matter, the mothers fighting for sensible gun laws, America's favorite female athletes (Megan Rapinoe, Hilary Knight, and Sue Bird to name a few) agitating for equal pay, and female teachers rallying to improve their working conditions. The bond between women who practice self-care and trauma healing together, including the women who courageously survived sexual abuse, and the women who heal together in *The Class* and *GirlTrek*. The ways women are becoming more intentional about the life-saving power of friendship, including the bonds between military wives, new moms, and nurses getting through the time of Covid. Throughout her examination of this fascinating huddle phenomenon, Baldwin learns about the periods of huddle 'droughts' in America, as well as the ways that Black women have been huddling for centuries. She also uncovers how huddling can be the "secret sauce" that makes many things possible for women: success in the workplace, effective grassroots change, confidence in girlhood, and a better physical and mental health profile in adulthood. Along the way, Baldwin takes readers through her own personal journey of growing up in the South and climbing the ladder of a male-dominated industry. Like so many women in her field, she encountered many sharp elbows on her career path, but became an early believer in adding more seats to the table and huddling with other women for strength and solidarity. In the process of writing HUDDLE, Baldwin learns that this seemingly new phenomenon is actually something women have been doing for generations—a quiet, collective power she learns to unlock in her transformation from journalist to champion for women.

News in the Global Sphere Ingrid Volkmer 1999 Ingrid Volkmer argues that the new global exchange can be regarded as a trans-societal sphere of mediation, which involves a global exchange of universal but also - increasingly - particular news and political information issues. This new diverse global information flow provides the communication platform, on which a global civil society emerges.

The Solo Video Journalist Matt Pearl 2016-11-10 It is becoming increasingly important for television reporters to be proficient in many, if not all, of the steps in production. The Solo Video Journalist will make handling all these responsibilities seem possible, and do so from the hands-on perspective of a current reporter with years of experience as a multimedia journalist. This book will cover all aspects of multimedia journalism, from planning for a segment, to dressing appropriately for one's multiple roles, to conducting interviews and editing. The instruction and guidance in this text will help make readers valuable players in their field, and it is filled with real-world examples and advice from current professionals. Whether it be college students learning from the ground up or journalists early in their careers, The Solo Video Journalist ensures they will have all the materials they need to be successful multimedia journalists.

Elements of Argument Annette T. Rottenberg 2011-08-03 Elements of Argument combines a thorough argument text on critical thinking, reading, writing, and research with an extensive reader on both current and timeless controversial issues. It presents everything students need to analyze, research, and write arguments. Elements of Argument covers Toulmin, Aristotelian, and Rogerian models of argument and has been thoroughly updated with current selections students will want to read. It now includes additional support for academic writing, making it a truly flexible classroom resource. An electronic edition is available at half the price of the print book. Read the preface.

The Power Broker: Robert Moses and the Fall of New York R. A. Caro 1974 Moses is pictured as idealist reformer, and political manipulator as his rise to power and eventual domination of New York State politics is documented

Responsible Journalism in Conflicted Societies Jake Lynch 2022-09-30 Setting out multiple perspectives from media and journalism scholars, this collection addresses the implications that today's technological, socio-political, and economic conditions have for relations between journalists, sources, audiences, and wider publics. Applying an inclusive concept of 'conflicted societies' that goes beyond those affected by violent conflict to include traditionally 'stable' but increasingly polarised democracies, such as the UK and the USA, contributors engage with longstanding questions and new challenges surrounding concepts of responsibility, trust, public service, and public interest in journalism. The unique span of studies offers international scope, including societies often overlooked in media and journalism studies, such as Northern Ireland,

Turkey, Cyprus, Pakistan, The Democratic Republic of Congo, and the Central African Republic. Chapters also feature contemporary case studies, such as the COVID-19 pandemic, as a route into understanding the pertinent issue of fake news, and the 'local turn' in journalism. *Responsible Journalism in Conflicted Societies* is not only a valuable resource for those studying conflict reporting and international journalism but will also appeal to scholars working at the intersection of media, journalism, communication, peace, conflict, and security studies.

The Journalism Behind Journalism Gina Baleria 2021-08-12 Today's journalists need to know both the skills of how to write, interview, and research, as well as skills that are often thought of as more intangible. This book provides a practical, how-to approach for developing, honing, and practicing the intangible skills critical to strong journalism. Individual chapters introduce journalism's intangible concepts such as curiosity, empathy, implicit bias, community engagement, and tenacity, relating them to solid journalistic practice through real-world examples. Case studies and interviews with industry professionals help to further establish connections between concept and practice, and mid-chapter and end-of-chapter exercises give the reader a concrete pathway toward developing these skills. The book offers an important perspective for the modern media landscape, where any journalist seeking to make an impact must know how to contextualize events, hold power to account, and inform their community to contribute to a healthy democracy. This is an invaluable text for courses in journalism skills at both the undergraduate and graduate level and anyone training the next generation of journalists.

Cokie Steven V. Roberts 2021-11-02 The extraordinary life and legacy of legendary journalist Cokie Roberts—a trailblazer for women—remembered by her friends and family. Through her visibility and celebrity, Cokie Roberts was an inspiration and a role model for innumerable women and girls. A fixture on national television and radio for more than 40 years, she also wrote five bestselling books focusing on the role of women in American history. She was portrayed on *Saturday Night Live*, name checked on the *West Wing*, and featured on magazine covers. She joked with Jay Leno, balanced a pencil on her nose for David Letterman, and was the answer to numerous crossword puzzle clues. Many dogs, and at least one dairy cow, were named for her. When the legendary 1980s *Spy Magazine* ran a diagram documenting all her connections with the headline "Cokie Roberts – Moderately Well-Known Broadcast Journalist or Center of the Universe?" they were only half-joking. Cokie had many roles in her lifetime: Daughter. Wife. Mother. Journalist. Advocate. Historian. Reflecting on her life, those closest to her remember her impressive mind, impish wit, infectious laugh, and the tenacity that sent her career skyrocketing through glass ceilings at NPR and ABC. They marvel at how she often put others before herself and cared deeply about the world around her. When faced with daily decisions and dilemmas, many still ask themselves the question, 'What Would Cokie Do?' In this loving tribute, Cokie's husband of 53 years and bestselling-coauthor Steve Roberts reflects not only on her many accomplishments, but on how she lived each day with a devotion to helping others. For Steve, Cokie's private life was as significant and inspirational as her public one. Her commitment to celebrating and supporting other women was evident in everything she did, and her generosity and passion drove her personal and professional endeavors. In Cokie, he has a simple goal: "To tell stories. Some will make you cheer or laugh or cry. And some, I hope, will inspire you to be more like Cokie, to be a good person, to lead a good life."

The Handbook of Global Online Journalism Eugenia Siapera 2012-07-03 The Handbook to Global Online Journalism features a collection of readings from international practitioners and scholars that represent a comprehensive and state-of-the-art overview of the relationship between the internet and journalism around the world. Provides a state-of-the-art overview of current research and future directions of online journalism Traces the evolution of journalistic practices, business models, and shifting patterns of journalistic cultures that have emerged around the world with the migration of news online Written and edited by top international researchers and practitioners in the area of online journalism Features an extensive breadth of coverage, including economics, organizational practices, contents and experiences Discusses developments in online news in a wide range of countries, from the USA to Brazil, and from Germany to China Contains original theory, new research data, and reviews of existing studies in the field

Photojournalism and Citizen Journalism Stuart Allan 2017-05-25 If everyone with a smartphone can be a citizen photojournalist, who needs professional photojournalism? This rather flippant question cuts to the heart of a set of pressing issues, where an array of impassioned voices may be heard in vigorous debate. While some of these voices are confidently predicting photojournalism's impending demise as the latest casualty of internet-driven convergence, others are heralding its dramatic rebirth, pointing to the democratisation of what was once the exclusive domain of the professional. Regardless of where one is situated in relation to these stark polarities, however, it is readily apparent that photojournalism is being decisively transformed across shifting, uneven conditions for civic participation in ways that raise important questions for journalism's forms and practices in a digital era. This book's contributors identify and critique a range of factors currently recasting photojournalism's professional ethos, devoting particular attention to the challenges posed by the rise of citizen journalism. This book was originally published as two special issues, in *Digital Journalism* and *Journalism Practice*.

World of CNN. New Ways of International Journalism Sebastian Hoos 2010-03-08 Studienarbeit aus dem Jahr 1993 im Fachbereich Medien / Kommunikation - Journalismus, Publizistik, Note: A, Baylor University (International Journalism), Veranstaltung: World Communication, Sprache: Deutsch, Abstract: This paper outlines the emergence of a new world communication system. With a global news broadcasting system like CNN the US is no longer not only the main news topic and the civilisation reported about the most but also the major source for international news and global news coverage alike. This, in many ways marks a double hegemonial dominance.

Inside Al-Shabaab Dan Joseph 2018-10-01 One of the most powerful Islamic militant groups in Africa, Al-Shabaab exerts Taliban-like rule over millions in Somalia and poses a growing threat to stability in the Horn of Africa. Somalis risk retaliation or death if they oppose or fail to comply with Al-Shabaab-imposed restrictions on aspects of everyday life such as clothing, media, sports, interpersonal relations, and prayer. *Inside Al-Shabaab: The Secret History of Al-Qaeda's Most Powerful Ally* recounts the rise, fall, and resurgence of this overlooked terrorist organization and provides an intimate understanding of its connections with Al-Qaeda. Drawing from interviews with former Al-Shabaab militants, including high-ranking officials, military commanders, police, and foot soldiers, authors Harun Maruf and Dan Joseph reveal the motivations of those who commit their lives to the group and its violent jihadist agenda. A wealth of sources including US diplomatic cables released by Wikileaks, letters taken from the Pakistani hideout of Osama bin Laden, case files from the prosecution of American Al-Shabaab members, emails from Hillary Clinton's tenure as secretary of state, and Al-Shabaab's own statements and recruiting videos inform Maruf and Joseph's investigation of the United States' campaign against Al-Shabaab and how the 2006 US-backed Ethiopian invasion of Somalia gave the group the popular support it needed to radicalize ordinary citizens and become a powerful movement. The audio book is narrated by Nicholas Smith. Produced by Speechki in 2021.

Jet 2003-05-05 The weekly source of African American political and entertainment news.

New York Magazine 1992-09-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Up All Night Lisa Napoli 2020-05-12 The wild inside story of the birth of CNN and dawn of the age of 24-hour news How did we get from an age of dignified nightly news broadcasts on three national networks to the age of 24-hour news channels and constantly breaking news? The answer—thanks to Ted Turner and an oddball cast of cable television visionaries, big league rejects, and nonunion newbies—can be found in the basement of an abandoned country club in Atlanta. Because it was there, in the summer of 1980, that this motley crew launched CNN. Lisa Napoli's *Up All Night* is an entertaining inside look at the founding of the upstart network that set out to change the way news was delivered and consumed, and succeeded beyond even the wildest imaginings of its charismatic and uncontrollable founder. Mixing media history, a business

adventure story, and great characters, this is a fun book on the making of the world we live in now.

Video Journalism for the Web Kurt Lancaster 2012 As newspapers and broadcast news outlets direct more resources toward online content, print reporters and photojournalists are picking up video cameras and crafting new kinds of stories with their lenses. Creating multimedia video journalism requires more than simply adapting traditional broadcast techniques: it calls for a new way of thinking about how people engage with the news and with emerging media technologies. In this guide, Kurt Lancaster teaches students and professional journalists how to shoot better video and tell better stories on the web, providing a strong understanding of cinematic storytelling and documentary production so their videos will stand out from the crowd. Video Journalism for the Web introduces students to all the basic skills and techniques of good video journalism and documentary storytelling, from shots and camera movements to sound and editing--as well as offering tips for developing compelling, character-driven narratives and using social media to launch a successful career as a "backpack journalist." Shooting, editing, and writing exercises throughout the book allow students to put these techniques into practice, and case studies and interviews with top documentary journalists provide real-world perspectives on a career in video journalism. This book gives aspiring documentary journalists the tools they need to get out in the field and start shooting unforgettable multimedia stories.

Foreign Correspondents and International Newsgathering Colleen Murrell 2014-11-27 This book reveals that 'fixers'—local experts on whom foreign correspondents rely—play a much more significant role in international television newsgathering than has been documented or understood. Murrell explores the frames through which international reporting has traditionally been analysed and then shows that fixers, who have largely been dismissed by scholars as 'logistical aides', are in fact central to the day-to-day decision-making that takes place on-the-road. Murrell looks at why and how fixers are selected and what their significance is to foreign correspondence. She asks if fixers help introduce a local perspective into the international news agenda, or if fixers are simply 'People Like Us' (PLU). Also included are in-depth case studies of correspondents in Iraq and Indonesia.

The Structure of Argument Annette T. Rottenberg 2011-08-03 The Structure of Argument covers critical thinking, reading, writing, and research. It is concise but thorough and presents everything students need in an affordable, compact format. The Structure of Argument includes questions, exercises, and writing assignments, and a full semester's worth of readings. Now presenting Aristotelian and Rogerian as well as Toulmin argument, it includes many fresh readings and additional support for academic writing to help students stake their claim. Its emphasis on Toulmin argument makes Structure highly teachable, since the approach fits with the goals of the composition course. An electronic edition is available at half the price of the print book.

Gender in the 2016 US Presidential Election Dustin Harp 2019-04-09 Using a discourse analysis, Dustin Harp investigates media during the 2016 US presidential election to explore how traditional (patriarchal) and feminist ideas about gender played out during the campaign. The book illustrates how these two ideologies competed for space and struggled for discursive authority. A broad range of media texts is examined, and "gender moments," where gender became a dominant part of the political conversation, are identified. These include the "nasty woman" and "grab them by the pussy" comments of Donald Trump and the "woman card" played by, and against, Hillary Clinton. Furthermore, Harp reveals how binary notions of gender and stereotypical ideas of how men and women should behave, look, and sound structured the ways Donald Trump and Hillary Clinton were talked about in the media. As a counterpoint, the research also shows the ways feminist ideologies worked against the sexism and misogyny and became mainstream in media discourse during the campaign. Students and researchers of Gender Studies will find that the "gender moments" in Gender in the 2016 US Presidential Election tell a broader story about women, gender expectations, and power. They offer important and timely insights about misogyny and sexual harassment in contemporary US culture and feminist resistance in a mediated public sphere.

Demagogue for President Jennifer Mercieca 2020-07-07 "Deserves a place alongside George Orwell's 'Politics and the English Language'. . . . one of the most important political books of this perilous summer."—The Washington Post "A must-read"—Salon "Highly recommended"—Jack Shafer, Politico Featured in "The Best New Books to Read This Summer" and "Lit Hub's Most Anticipated Books of 2020"—Literary Hub Historic levels of polarization, a disaffected and frustrated electorate, and widespread distrust of government, the news media, and traditional political leadership set the stage in 2016 for an unexpected, unlikely, and unprecedented presidential contest. Donald Trump's campaign speeches and other rhetoric seemed on the surface to be simplistic, repetitive, and disorganized to many. As Demagogue for President shows, Trump's campaign strategy was anything but simple. Political communication expert Jennifer Mercieca shows how the Trump campaign expertly used the common rhetorical techniques of a demagogue, a word with two contradictory definitions—"a leader who makes use of popular prejudices and false claims and promises in order to gain power" or "a leader championing the cause of the common people in ancient times" (Merriam-Webster, 2019). These strategies, in conjunction with post-rhetorical public relations techniques, were meant to appeal to a segment of an already distrustful electorate. It was an effective tactic. Mercieca analyzes rhetorical strategies such as argument ad hominem, argument ad baculum, argument ad populum, reification, paralipsis, and more to reveal a campaign that was morally repugnant to some but to others a brilliant appeal to American exceptionalism. By all accounts, it fundamentally changed the discourse of the American public sphere.

Asian American Dreams Helen Zia 2001-05-15 An account of the emergence of the Asian American consciousness in the United States explores the history that led to disparate groups of Asians seeing themselves as a single, cohesive ethnic community with political power.

Peril Bob Woodward 2021-09-21 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.
