Kinder draws on her firsthand experience of dating a convicted murderer to brilliantly channel the voice of a polite, even sympathetic man who just happens to be a serial killer. **An Absolute Gentleman** opens in a prison cell, where Arthur Blume is hard at work writing an account of his life--one stained in places with abuse and cruelty, but also characterized by everyday banality. The adults are lulled by the ship's comfort and ease. The four children—ages six to eleven—love the nonstop buffet and their newfound independence. The disintegration of the world the families knew—told from the perspectives of both the adults and the children—is both riveting and revealing. The parents, accustomed to security and control, turn on each other and blame themselves, while the seemingly helpless children discover resources they never knew they possessed. *Do Not Become Alarmed* is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Lemon Kwon Yeo-sun 2021-10-26 [New York Times Book Review: Editor’s Choice](#) [Philadelphia Inquirer: Best Book of the Month](#) [World Literature Today: Notable Translation of the Year](#) [CrimeReads: Best International Crime Novel of the Year](#) [Ms. Magazine: Most Anticipated Book of the Year](#) [Washington Independent Review of Books: Favorite Book of the Year](#) *Parasite* meets *The Good Son* in this piercing psychological portrait of three women haunted by a brutal, unsolved crime. In the summer of 2002, when Korea is abuzz over hosting the FIFA World Cup, eighteen-year-old Kim Hae-on is killed in what becomes known as the High School Beauty Murder. Two suspects quickly emerge: rich kid Shin Jeongjun, whose car Hae-on was last seen in, and delivery boy Han Manu, who witnessed her there just a few hours before her death. But when Jeongjun’s alibi checks out, and no evidence can be pinned on Manu, the case goes cold. Seventeen years pass without any

resolution for those close to Hae-on, and the grief and uncertainty take a cruel toll on her younger sister, Da-on, in particular. Unable to move on with her life, Da-on tries in her own twisted way to recover some of what she's lost, ultimately setting out to find the truth of what happened. Shifting between the perspectives of Da-on and two of Hae-on's classmates struck in different ways by her otherworldly beauty, Lemon ostensibly takes the shape of a crime novel. But identifying the perpetrator is not the main objective here: Kwon Yeo-sun uses this well-worn form to craft a searing, timely exploration of privilege, jealousy, trauma, and how we live with the wrongs we have endured and inflicted in turn. A Family Daughter Maile Meloy 2006 A young woman from the Santerre clan accompanies her family to Argentina, where their lives become entwined with an uninhibited rich girl, an aging French playboy, a young Eastern European prostitute, and an orphaned child.

The Octopus Escapes Maile Meloy 2021 "An octopus is taken from his undersea home to live in an aquarium, but he soon tires of captive life"-- Icebergs Rebecca Johns 2008-12-11 In World War II Canada, Walt Dunmore and Al Clark are the only members of their bomber crew to survive a plane wreck on Newfoundland's Labrador coast-but now they must fight injuries and cold in the sub-zero wilderness. On the home front, in a small Canadian farming community, Walt's young wife Dottie struggles with her own battles: loneliness, worry, and an attraction to an itinerant farm worker. Only one man comes home alive from Labrador, but the lives of their two families remain forever entwined. Years later, when both families relocate to Chicago, questions of loyalty and bravery ensnare their children as they confront Vietnam and their own desires. One of them is left with a choice: revenge or sacrifice. The novel follows the characters into old age, when decades-old secrets illuminate the present and the past. Johns expertly interweaves multiple storylines, maintaining tight narrative tension and slowly revealing the stories that bind her characters together. An ambitious, lyrical debut that explores romantic love and deceit, death and survival, war and domesticity, marriage, parenthood, and aging, Icebergs explores how tragedies narrowly averted can alter the course of lives as drastically as those met head-on.

Liars and Saints Maile Meloy 2007-11-01 A richly textured novel tells a story of sex and longing, love and loss, and of the deceit that can lie at the heart of family relationships. Set in California, Liars and Saints follows four generations of the Catholic Santerre family from World War II to the present. In a family driven as much by jealousy and propriety as by love, an unspoken tradition of deceit is passed from generation to generation. When tragedy shatters their precarious domestic lives, it takes astonishing courage and compassion to bring them back together. (The Boston Globe).

Crooked River Burning Mark Winegardner 2021-11-23 In 1948 Cleveland was America's sixth largest city; by 1969 it was the twelfth. For Easterners, Cleveland is where the Midwest begins; for Westerners, it is where the East begins. In the summer of 1948, fourteen-year-old David Zielinsky can look forward to a job at the docks. Anne O'Connor, at twelve, is the apple of her political boss father's eye. David and Anne will meet-and fall in love-four years later, and for the next twenty years this pair will be reluctant star-crossed lovers in a troubled and turbulent country. A natural-born storyteller, Mark Winegardner spins an epic tale of those twenty years, artfully weaving such real-life Clevelanders as Eliot Ness, Alan Freed, and Carl Stokes into the tapestry. His narrative gifts may bring the fiction of E. L. Doctorow to some readers' minds, but Winegardner is very much his own man, and his observations of Cleveland are laced with a loving skepticism. His masterful saga of this conflicted city is a novel that speaks a memorable truth.

Picnic at Hanging Rock Joan Lindsay 2017-10-03 *Now a six-part TV series starring Natalie Dormer, from Amazon Prime* A 50th-anniversary edition of the landmark novel about three "gone girls" that inspired the acclaimed 1975 film, featuring a foreword by Maile Meloy, author of *Do Not Become Alarmed* It was a cloudless summer day in the year 1900. Everyone at Appleyard College for Young Ladies agreed it was just right for a picnic at Hanging Rock. After lunch, a group of three girls climbed into the blaze of the afternoon sun, pressing on through the scrub into the shadows of the secluded volcanic outcropping. Farther, higher, until at last they disappeared. They never returned. . . . Mysterious and subtly erotic, *Picnic at Hanging Rock* inspired the iconic 1975 film of the same name by Peter Weir. A beguiling landmark of Australian literature, it stands with Shirley Jackson's *We Have Always Lived in the Castle*, Daphne du Maurier's *Rebecca*, and Jeffrey Eugenides' *The Virgin Suicides* as a masterpiece of intrigue.

All Families are Psychotic Douglas Coupland 2010-01-08 Psychosis: any form of severe mental disorder in which the individual's contact with reality becomes highly distorted. Douglas Coupland, the author whom Tom Wolfe calls "one of the freshest, most exciting voices of the novel today," delivers his tenth book in ten years of writing, with *All Families Are Psychotic*. Coupland recently has been compared to Jack Kerouac and F. Scott Fitzgerald, yet he is a man firmly grounded in the current era. The novel is a sizzling and sharp-witted entertainment that resonates with eternal human yearnings. In the opening pages, 65-year-old Janet Drummond checks the clock in her cheap motel room near Cape Canaveral, takes her prescription pills and does a rapid tally of the whereabouts of her three children: Wade, the eldest, in and out of jail and still radiating "the glint"; suicidal Bryan, whose girlfriend, the vowel-free Shw, is pregnant; and Sarah, the family's shining light, an astronaut preparing to be launched into space as the star of a shuttle mission. They will all arrive in Orlando today – along with Janet's ex-husband Ted and his new trophy wife – setting the stage for the most disastrous family reunion in the history of fiction. Florida may never recover from their version of fun in the sun. The last time the family got together, there was gunplay and an ensuing series of HIV infections. Now, what should be a celebration turns instead into a series of mishaps and complications that place the family members in constant peril. When the reformed Wade attempts to help his dad out of a financial jam and pay off his own bills at the fertility clinic, his plan spins quickly out of control. Adultery, hostage-taking, a letter purloined from Princess Diana's coffin, heart attacks at Disney World, bankruptcy, addiction and black-market negotiations – Coupland piles on one deft, comic plot twist after another, leaving you reaching for your seat belt. When the crash comes, it is surprisingly sweet. Janet contemplates her family, and where it all went wrong. "People are pretty forgiving when it comes to other people's family. The only family that ever horrifies you is your own." During the writing, Coupland described the book as being about "the horrible things that families do to each other and how it makes them strong." He commented: "Families who are really good to each other, I've noticed, tend to

dissipate, so I wonder how awful a family would have to be to stick together.” Coupland’s first novel, *Generation X: Tales for an Accelerated Culture*, became a cultural phenomenon, affixing a buzzword and a vocabulary to a generation and going on to sell over a million copies. The novels that followed were all bestsellers, and his work has continued to show a fascination with the digital, brand-conscious, media-dense culture of contemporary North American society, leading some to peg him as “an up-to-the-minute cultural reference engine.” Meanwhile, his deeper interests in how human beings function in this spiritual vacuum have become increasingly apparent. For example, the character Wade contemplates his father: “What would the world have to offer Ted Drummond, and the men like him, a man whose usefulness to the culture had vanished somewhere around the time of Windows 95? Golf? Gold? Twenty-four hour stock readouts?” Janet, on the other hand, nears a kind of peace with life: “Time erases both the best and the worst of us.” *All Families Are Psychotic* shows Coupland being just as concerned for the grown-ups as for the kids.

Passion and Affect Laurie Colwin 2014-11-18 The debut story collection from one of America’s most beloved authors Laurie Colwin explores the mysteries of life and love with her signature blend of empathy, wisdom, and wit in these fourteen exquisite tales. In “Animal Behavior,” an ornithologist and a doctoral student find their own mating habits to be just as inscrutable as those of their avian subjects. In “The Elite Viewer,” when his wife travels to England to attend a seminar, Benno Moran searches for exotic ways to occupy his time. He discovers television, junk food, and Greenie Frenzel, a young woman with Technicolor hair and an appetite for cherry soda and mentholated cigarettes. “Children, Dogs, and Desperate Men” is the story of Elizabeth Bayard, a sensible music critic whose flirtation with a married cartographer is the latest in a series of romantic missteps as irrational as they are irresistible. The heroes and heroines of *Passion and Affect* are clever, naive, brave, delicate, and fickle. In other words, they are profoundly human, and their precisely observed, warmly intelligent stories capture nothing less than what it means to be alive in the modern world. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author’s estate.

Both Ways Is the Only Way I Want It Maile Meloy 2010-07-06 One of the New York Times 10 Best Books of 2009-- now adapted into the feature film *Certain Women*, starring Kristen Stewart-- award-winning writer Maile Meloy’s short stories explore complex lives in an austere landscape with the clear-sightedness that first endeared her to readers. Don’t miss her new novel, *Do Not Become Alarmed*. Meloy’s first return to short stories since her critically acclaimed debut, *Both Ways Is the Only Way I Want It* is an extraordinary new work from one of the most promising writers of the last decade. Eleven unforgettable new stories demonstrate the emotional power and the clean, assured style that have earned Meloy praise from critics and devotion from readers. Propelled by a terrific instinct for storytelling, and concerned with the convolutions of modern love and the importance of place, this collection is about the battlefields-and fields of victory-that exist in seemingly harmless spaces, in kitchens and living rooms and cars. Set mostly in the American West, the stories feature small-town lawyers, ranchers, doctors, parents, and children, and explore the moral quandaries of love, family, and friendship. A ranch hand falls for a recent law school graduate who appears unexpectedly- and reluctantly-in his remote Montana town. A young father opens his door to find his dead grandmother standing on the front step. Two women weigh love and betrayal during an early snow. Throughout the book, Meloy examines the tensions between having and wanting, as her characters try to keep hold of opposing forces in their lives: innocence and experience, risk and stability, fidelity and desire. Knowing, sly, and bittersweet, *Both Ways Is the Only Way I Want It* confirms Maile Meloy’s singular literary talent. Her lean, controlled prose, full of insight and unexpected poignancy, is the perfect complement to her powerfully moving storytelling.

The Fourth Child Jessica Winter 2021-03-09 “A beautifully observed and thrillingly honest novel about the dark corners of family life and the

long, complicated search for understanding and grace.” —Jenny Offill, author of *Dept. of Speculation* and *Weather* “The Fourth Child is keen and beautiful and heartbreaking—an exploration of private guilt and unexpected obligation, of the intimate losses of power embedded in female adolescence, and of the fraught moments of glancing divinity that come with shouldering the burden of love.” —Jia Tolentino, New York Times bestselling author of *Trick Mirror* “A remarkable family saga . . . The Fourth Child is a balm—a reminder that it is possible for art to provide a nuanced exploration of life itself.” —Rumaan Alam, author of *Leave the World Behind* and *Rich and Pretty* The author of *Break in Case of Emergency* follows up her “extraordinary debut” (*The Guardian*) with a moving novel about motherhood and marriage, adolescence and bodily autonomy, family and love, religion and sexuality, and the delicate balance between the purity of faith and the messy reality of life. Book-smart, devoutly Catholic, and painfully unsure of herself, Jane becomes pregnant in high school; by her early twenties, she is raising three children in the suburbs of western New York State. In the fall of 1991, as her children are growing older and more independent, Jane is overcome by a spiritual and intellectual restlessness that leads her to become involved with a local pro-life group. Following the tenets of her beliefs, she also adopts a little girl from Eastern Europe. But Mirela is a difficult child. Deprived of a loving caregiver in infancy, she remains unattached to her new parents, no matter how much love Jane shows her. As Jane becomes consumed with chasing therapies that might help Mirela, her relationships with her family, especially her older daughter, Lauren, begin to fray. Feeling estranged from her mother and unsettled in her new high school, Lauren begins to discover the power of her own burgeoning creativity and sexuality—a journey that both echoes and departs from her mother’s own adolescent experiences. But when Lauren is confronted with the limits of her youth and independence, Jane is thrown into an emotional crisis, forced to reconcile her principles and faith with her determination to keep her daughters safe. *The Fourth Child* is a piercing love story and a haunting portrayal of how love can shatter—or strengthen—our beliefs.

[This Is Paradise](#) Kristiana Kahakauwila 2013-07-09 Elegant, brutal, and profound—this magnificent debut captures the grit and glory of modern Hawai’i with breathtaking force and accuracy. In a stunning collection that announces the arrival of an incredible talent, Kristiana Kahakauwila travels the islands of Hawai’i, making the fabled place her own. Exploring the deep tensions between local and tourist, tradition and expectation, façade and authentic self, *This Is Paradise* provides an unforgettable portrait of life as it’s truly being lived on Maui, Oahu, Kaua’i and the Big Island. In the gut-punch of “Wanle,” a beautiful and tough young woman wants nothing more than to follow in her father’s footsteps as a legendary cockfighter. With striking versatility, the title story employs a chorus of voices—the women of Waikiki—to tell the tale of a young tourist drawn to the darker side of the city’s nightlife. “The Old Paniolo Way” limns the difficult nature of legacy and inheritance when a patriarch tries to settle the affairs of his farm before his death. Exquisitely written and bursting with sharply observed detail, Kahakauwila’s stories remind us of the powerful desire to belong, to put down roots, and to have a place to call home.

The Remedy Michelle Lovric 2013-06-03 ‘So at fifteen, spread belly-down upon the floor, a black sheet hunched over me and a candle at my foot and head, my lips pressed on stone, litanies in my ears as the priest broke and entered my shocked fist to slide the ring on my finger, I promised to take no other husband than Christ. I almost meant it. In that heady moment the vow seemed no great sacrifice: I’d never known a man, but I had tasted chocolate.’ One unforgettable night in 1785, in a theatre in Drury Lane, the heady alchemy of love and murder suddenly fuses the lives of Mimosina Dolcezza, a Venetian actress, and Valentine Greatrakes, prince of London’s medical underworld. *The Remedy* is a ravishing love story that seamlessly weaves fiction with historical fact in rich and details prose.

My Body Is a Big Fat Temple Alena Dillon 2021-10-12 *My Body Is A Big Fat Temple* is a memoir that charts the emotional journey of becoming a mother with humor and honesty, as well as investigating the natal shortcomings of our culture. It tracks Dillon, a writer in her thirties, as she

debates having children, and then suffers a miscarriage, morning sickness, physical changes and impairments, anxiety, labor and delivery, breastfeeding, the "baby blues," the heartache of not loving her son as she thinks she should, parenting during a plague, and finally blossoming into her new identity as a mother. This isn't the airbrushed billboard for motherhood women are too-often presented to preserve the sacred image of Madonna and Baby. Dillon prepares her readers for what to really expect--dry heaves, belly hair, dark nipples, crotch lightning, sweat, pain, delirium, lots of tears, and ultimately joy--so the odyssey is given its fair due. The cost of creating life is astronomical. It requires resilience and strength (and lots of bathroom breaks). But more importantly, these truths need to be shared in order to normalize them. With more stories like these, women with reservations for motherhood, and those in the midst of its fever dream, won't feel so alone. Pregnancy is a human imperative, endured by so many, and yet there is very little narrative nonfiction on the topic--I looked--which only makes the experience more isolating. The stories of women matter. The stories of mothers matter. Let's make ourselves heard.

Language Arts Stephanie Kallos 2015-06-09 A novel that is "utterly absorbing, and full of wit [with] a doozy of a twist . . . An all-around delight" (Maria Semple, author of *Where'd You Go, Bernadette?*). Charles Marlow teaches his high school English students that language will expand their worlds. But linguistic precision cannot help him connect with his autistic son, his ex-wife, or his college-bound daughter, who has just flown the nest. He's at the end of a road he's traveled on autopilot for years when a series of events forces him to think back on the lifetime of decisions and indecisions that have brought him to this point. With the help of an ambitious art student, an Italian-speaking nun, and the memory of a boy in a white suit who inscribed his childhood with both solace and sorrow, Charles may finally be able to rewrite the script of his life. Mercy House Alena Dillon 2020-02-11 "Never underestimate the power of a group of women. Fierce, thoughtful and dramatic—this is a story of true courage." —Susan Wiggs, *New York Times* bestselling author She would stop at nothing to protect the women under her care. Inside a century-old row house in Brooklyn, renegade Sister Evelyn and her fellow nuns preside over a safe haven for the abused and abandoned. Gruff and indomitable on the surface, warm and wry underneath, little daunts Evelyn, until she receives word that Mercy House will be investigated by Bishop Hawkins, a man with whom she shares a dark history. In order to protect everything they've built, the nuns must conceal many of their methods, which are forbidden by the Catholic Church. Evelyn will go to great lengths to defend all that she loves. She confronts a gang

member, defies the church, challenges her own beliefs, and faces her past. She is bolstered by the other nuns and the vibrant, diverse residents of the shelter—Lucia, Mei-Li, Desiree, Esther, and Katrina—whose differences are outweighed by what unites them: they've all been broken by men but are determined to rebuild. Amidst her fight, Evelyn discovers the extraordinary power of mercy and the grace it grants, not just to those who receive it, but to those strong enough to bestow it.

An Invisible Sign of My Own Aimee Bender 2011-08-17 Aimee Bender's stunning debut collection, *The Girl in the Flammable Skirt*, proved her to be one of the freshest voices in American fiction. Now, in her first novel, she builds on that early promise. Mona Gray was ten when her father contracted a mysterious illness and she became a quitter, abandoning each of her talents just as pleasure became intense. The only thing she can't stop doing is math: She knocks on wood, adds her steps, and multiplies people in the park against one another. When Mona begins teaching math to second-graders, she finds a ready audience. But the difficult and wonderful facts of life keep intruding. She finds herself drawn to the new science teacher, who has an unnerving way of seeing through her intricately built façade. Bender brilliantly directs her characters, giving them unexpected emotional depth and setting them in a calamitous world, both fancifully surreal and startlingly familiar.

BONUS MATERIAL: This edition includes an excerpt from Aimee Bender's *The Color Master*.
