The Orchard David Hopen 2020-11-17 A NATIONAL JEWISH BOOK AWARD FINALIST A Recommended Book From: The New York Times \* Good Morning America \* Entertainment Weekly \* Electric Literature \* The New York Post \* Alma \* The Millions \* Book Riot A commanding debut and a poignant coming-of-age story about a devout Jewish high school student whose plunge into the secularized world threatens everything he knows of himself Ari Eden's life has always been governed by strict rules. In ultra-Orthodox Brooklyn, his days are dedicated to intense study and religious rituals, and adolescence feels profoundly lonely. So when his family announces that they are moving to a glitzy Miami suburb, Ari seizes his unexpected chance for reinvention. Enrolling in an opulent Jewish academy, Ari is stunned by his peers' dizzying wealth, ambition, and shameless pursuit of life's pleasures. When the academy's golden boy, Noah, takes Ari under his wing, Ari finds himself entangled in the school's most exclusive and wayward group. These friends are magnetic and defiant—especially Evan, the brooding genius of the bunch, still living in the shadow of his mother's death. Influenced by their charismatic rabbi, the group begins testing their religion in unconventional ways. Soon Ari and his friends are pushing moral boundaries and careening toward a perilous future—one in which the traditions of their faith are repurposed to mysterious, tragic ends. Mesmerizing and playful, heartrending and darkly romantic, The Orchard probes the conflicting forces that determine who we become: the heady relationships of youth, the allure of greatness, the doctrines we inherit, and our concealed desires.

The Chosen Chaim Potok 2022-01-11 A coming-of-age classic about two Jewish boys growing up in Brooklyn in the 1940s, this “profound and universal” (The Wall Street Journal) story of faith, family, tradition, and assimilation remains deeply pertinent today. “Works of this caliber should be occasion for singing in the streets and shouting from the rooftops.” —Chicago Tribune It's the spring of 1944 and fifteen-year-olds Reuven Malter and Danny Saunders have lived five blocks apart all their lives. But they've never met, not until the day an accident at a softball game sparks an unlikely friendship. Soon these two boys—one expected to become a Hasidic rebbe, the other at ease with secular America—are drawn into one another's worlds despite a father's strong opposition. Set against the backdrop of World War II and the creation of the state of Israel, The Chosen is a poignant novel about transformation and tradition, growing up and growing wise, and finding yourself—even if it might mean disappointing those you love.

Filled with Fire and Light Elie Wiesel 2021-11-02 Here are magnificent insights into the lives of biblical prophets and kings, talmudic sages, and Hasidic rabbis from the internationally acclaimed writer, Nobel laureate, and one of the world's most honored and beloved teachers. “This posthumous collection encourages a path toward purpose and transcendence.” —The New York Times Book Review From a multitude of sources, Elie Wiesel culls facts, legends, and anecdotes to give us fascinating portraits of notable figures throughout Jewish history. Here is the prophet Elisha, wonder-worker and adviser to kings, whose compassion for those in need is matched only by his fiery temper. Here is the renowned scholar Rabbi Yohanan ben Zakkai, whose ingenuity in escaping from a besieged Jerusalem on the eve of its destruction by Roman legions in 70 CE laid the foundation for the rabbinic teachings and commentaries that revolutionized the practice and study of Judaism and have sustained the Jewish people for two thousand years of ongoing exile. And here is Rabbi Shneur Zalman of Liadi, founder of Chabad Hasidism, languishing in a Czarist prison in 1798, the victim of a false accusation, engaging in theological discussions with his jailers that would form the basis for Chabad's legendary method of engagement with the world at large. In recounting the life stories of these and other spiritual seekers, in delving into the struggles of human beings trying to create meaningful lives touched with sparks of the divine, Wiesel challenges and inspires us all to fill our own lives with commitment and sanctity.

The Collected Plays of Chaim Potok Chaim Potok 2018-10-23 While Chaim Potok is most famous for his novels, particularly his first book The Chosen (1967)—which was listed on The New York Times bestseller list for 39 weeks and sold more than 3,400,000 copies—he also wrote plays, which are collected and published here for the first time. Rena Potok edited the collection and wrote the introduction. This book features all five of Potok's plays, production notes on each of the plays, prefaces by the directors, and the transcript of a post-performance discussion on Out of the Depths featuring Chaim Potok and Prof. David Roskies, which appears for the first time in print, in this volume. Includes: Out of the Depths (Performed in

Philadelphia in 1990. The last version was a 1990 video of the staged workshop performance. The play was reconstructed for this collection by Rena Potok and David Bassuk, the play's director and co-creator, based on the video and on the final rehearsal script.) Sins of the Father: The Carnival and The Gallery (Performed in Philadelphia in 1990. Adapted from scenes in Chaim Potok's novels *The Promise* and *My Name is Asher Lev*.) The Play of Lights (Performed in Philadelphia in 1992. Adapted from Chaim Potok's novel *The Book of Lights*.) The Chosen (Premiered in 1999 and performed widely since then. Adapted from the novel of the same name into a play by Chaim Potok and Aaron Posner. This volume contains the most recent authorized version of the play.)

*My Name is Asher Lev* Chaim Potok 2009 Asher Lev is a gifted loner, the artist who painted the sensational Brooklyn Crucifixion. Into it he poured all the anguish and torment a Jew can feel when torn between the faith of his fathers and the calling of his art. Here Asher Lev plunges back into his childhood and recounts the story of love and conflict which dragged him to this crossroads.

*Conversations with Chaim Potok* Chaim Potok 2001 "Writing at its best is an exalted state, an unlocking of the unconscious and imagination and a contact with sanctity." One of America's most popular Jewish writers, Chaim Potok (b. 1929) is the author of such novels as *The Chosen* (1967), *The Promise* (1969), *The Book of Lights* (1981), and *Davita's Harp* (1985). Each of his novels explores the tension between tradition and modernity, and the clash between Jewish culture and contemporary Western civilization, which he calls "core-to-core culture confrontation." Although primarily known as a novelist, Potok is an ordained Conservative rabbi and a world-class Judaic scholar who has also published children's books, theological discourses, biographies, and histories. *Conversations with Chaim Potok* presents interviews ranging from 1976 to 1999. Potok discusses the broad range of his writing and the deep influence of non-Jewish novels—in particular, Evelyn Waugh's *Brideshead Revisited* and James Joyce's *Portrait of the Artist as a Young Man*—on his work. Interviews bear witness to Potok's many other influences—Orthodox Jewish doctrine, Freudian psychoanalytical theory, Picasso's *Guernica*, and Jewish kabbalah mysticism. Though labeled an American Jewish writer, Potok argues that Flannery O'Connor should then be called an American Catholic writer and John Updike an American Protestant writer. "In his mind," editor Daniel Walden writes, "just as Faulkner was a writer focused on a particular place, Oxford, Mississippi, . . . so Potok's territory was a small section of New York City." Potok often explores conflict in his writings and in his interviews. Strict Jewish teachings deem fiction an artifice and therefore unnecessary, yet since the age of sixteen Potok has been driven to write novels. At the root of all of these conversations is Potok's intense interest in the turmoil between Jewish culture, religion, and tradition and what he calls "Western secular humanism." As he discusses his work, he continually includes broader issues, such as the state of Jewish literature and art, pointing out with pride and enthusiasm his belief that Jewish culture, in the twentieth century, has finally begun to have a significant role in producing and shaping the world's art and literature. Whether discussing the finer details of Talmudic textual analysis or his period of chaplaincy during the Korean War, Potok is articulate and philosophical, bringing deep consideration into what may seem small subjects. Although his novels and histories take place primarily in the recent past, the Chaim Potok that emerges from this collection is a writer deeply rooted in the tensions of the present. Daniel Walden is Professor Emeritus of American Studies, English and Comparative Literature at Penn State University. He has written or edited several books, including *On Being Jewish* (1974), *Twentieth Century American Jewish Writers* (1984), *The World of Chaim Potok* (1985), and *American Jewish Poets: The Roots and the Stems* (1990).

Lights on the Mountain Cheryl Anne Tuggle 2018-12-01 Love, loss, and the memory of an otherworldly encounter haunt the days and nights of a Pennsylvania dairy farmer. Wherever There Is Light Peter Golden 2016-10-04 From the beloved author of *Comeback Love*, an “absorbing” (The Washington Post) tale of forbidden romance set against the backdrop of the segregated American South, war-torn Europe, and the civil unrest of the Sixties. Sometimes falling in love is the most courageous act. Julian Rose is only fifteen when he leaves his family and Germany for a new life in 1920s America. Initially struggling, he eventually finds his way—first by becoming one of the preeminent bootleggers on the East Coast, and later by amassing a fortune in real estate. Kendall Wakefield is a free-spirited college senior who longs to become a painter. Her mother, the daughter of a slave and the founder of an African-American college in South Florida, spends her days running the institution and trying to find a suitable match for her only daughter. One evening in 1938, she hosts a dinner that reunites Julian with his parents, who have been rescued from the Nazis by her college. There, Kendall and Julian meet for the first time, and from that unlikely encounter begins a thirty-year, on-again off-again affair that will take the lovers from Miami Beach to Greenwich Village to postwar life in Paris. Throughout their travels, they will encounter the likes of Sartre, Picasso, and a host of other artists, writers, and intellectuals just as they are in the process of redefining culture for a new generation. Through it all, their longing for each other remains a constant in the ceaseless sweep of time. *Wherever There Is Light* is an absorbing, panoramic tale of twentieth-century America and an unforgettable story of defiant love that “is epic and truly felt” (Kirkus Reviews).

Painting the Light Sally Cabot Gunning 2021-06-01 From the critically acclaimed author of *Monticello* and *The Widow's War* comes a vividly rendered historical novel of love, loss, and reinvention, set on Martha's Vineyard at the end of the nineteenth century. *Martha's Vineyard, 1898*. In her first life, Ida Russell had been a painter. Five years ago, she had confidently walked the halls of Boston's renowned Museum School, enrolling in art courses that were once deemed “unthinkable” for women to take, and showing a budding talent for watercolors. But no more. Ida Russell is now Ida Pease, resident of a seaside farm on Vineyard Haven, and wife to Ezra, a once-charming man who has become an inattentive and altogether unreliable husband. Ezra runs a salvage company in town with his business partner, Mose Barstow, but he much prefers their nightly card games at the local pub to his work in their Boston office, not to mention filling haystacks and tending sheep on the farm at home—duties that have fallen to Ida and their part-time farmhand, Lem. Ida, meanwhile, has left her love for painting behind. It comes as no surprise to Ida when Ezra is hours late for a Thanksgiving dinner, only to leave abruptly for another supposedly urgent business trip to Boston. But then something unthinkable happens: a storm strikes and the ship carrying Ezra and Mose sinks. In the wake of this shocking tragedy, Ida must settle the affairs of Ezra's estate, a task that brings her to a familiar face from her past—Henry Barstow, Mose's brother and executor. As she joins Henry in sifting through the remnants of her husband's life and work, Ida must learn to separate truth from lies and what matters from what doesn't. Captured in rich, painterly prose—piercing as a coastal gale and shimmering as sunlight on the waves—*Painting the Light* is an arresting portrait of a woman, and a considered meditation on grief, persistence, and reinvention.

Chaim Potok Daniel Walden 2013-07-03 Chaim Potok was a world-class writer and scholar, a Conservative Jew who wrote from and about his tradition and the conflicts between observance and acculturation. Shadow & Light Darryl L. Tippens 2013 "Shadow & Light has a variety of selections spanning a range of literature from medieval religious lyrics to contemporary American poetry, from John Bunyan to Isaac Bashevis Singer and John Updike, it makes vividly clear that the exploration of spiritual values is not limited to believers of one faith, or, indeed, not even to believers."-Robert Alter, Professor of Hebrew and Comparative Literature, University of California, Berkeley; author of *The Art of Biblical Narrative* "Writers-poets and novelists, playwrights and bards-have always been essential witnesses to the ambiguities...the all-encompassing mysteries of birth and death, primary witnesses to matters of God and the soul. Graven Images Arnold Schwartzman 1993 "Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth". So decrees the second commandment. Could anything be clearer? And yet, through the centuries, Jews have decorated their tombstones with graven images. This rich tradition of liberally interpreting the biblical admonition has provided centuries' worth of graphic symbols and motifs that illuminate Jewish history and lore. In Graven Images, a surprisingly spirited view of a usually somber subject, author and photographer Arnold Schwartzman has assembled a lavish array of color photographs of Jewish tombstones. Focusing on the treasures he has discovered in thirty-eight European cemeteries, this book reproduces more than two hundred graven images from Austria, Czechoslovakia, Denmark, England, Germany, the Netherlands, Hungary, Italy, Poland, and Romania. Schwartzman's beautiful close-up photographs and fascinating captions reveal the significance of some of the most common images found on the gravestones. Some reveal the occupation of the deceased (an inkwell and quill for a scribe) or something about character (a candelabrum for a pious woman). Others allude specifically to a person's name (a fish for a member of the Fischel family) or refer to biblical tradition (Noah's ark, Adam and Eve in the Garden). The book begins with a riveting essay by Chaim Potok, the renowned novelist and Jewish thinker, who asks: "How in the light of all these images are we to understand the second commandment?" A unique assemblage of what Schwartzman has called "hallowed milestones that plot the course of the Jewish diaspora", GravenImages will appeal to everyone interested in Jewish history, symbols, and tradition.

Old Men at Midnight Chaim Potok 2008-12-30 From the celebrated author of The Chosen and My Name Is Asher Lev, a trilogy of related novellas about a woman whose life touches three very different men—stories that encompass some of the profoundest themes of the twentieth century. Ilana Davita Dinn is the listener to whom three men relate their lives. As a young girl, she offers English lessons to a teenage survivor of the camps. In "The Ark Builder," he shares with her the story of his friendship with a proud old builder of synagogue arks, and what happened when the German army invaded their Polish town. As a graduate student, she finds herself escorting a guest lecturer from the Soviet Union, and in "The War Doctor," her sympathy moves him to put his painful past to paper recounting his experiences as a Soviet NKVD agent who was saved by an idealistic doctor during the Russian civil war, only to encounter him again during the terrifying period of the Kremlin doctors' plot.
